

STATEMENT OF ENDORSEMENT TO THE EUROPEAN CHARTER FOR RESEARCHERS AND THE CODE OF CONDUCT FOR THE RECRUITMENT OF RESEARCHERS

Ubikwa Systems SLU is a technological start-up with the mission to apply the Internet of Things to the agriculture sector helping to meet the important challenges it faces due to the increase in food demand foreseen for the next years.

Ubikwa welcomes and supports the Recommendation of the European Commission 2005/251/EC on “The European Charter for Researchers” and “The Code of Conduct for the Recruitment of Researchers”.

Within its legal boundaries, Ubikwa hereby commits itself to apply the stated principles via its human resources policies for researchers and to promoting transparency, accessibility, equity, and the pursuit of excellence in the recruitment of researchers. In adhering to this recommendation, Ubikwa will reinforce its efforts to create the best possible framework within which its researchers can develop their careers, while at the same time contributing to the development of the European Research Area.
